Questions and Answers about plastics

Answers made for questions frequently asked are as follows:

Question 1: Can I put out plastic bags for frozen food with zippers and plastic containers as plastics?

Answer 1: They did not contain products, and so they are not considered as containers or packages. You need to put them out as metal and fragmental items.

Question 2: Can I put out nets containing vegetables and fruits as plastics?

Answer 2: They contained products, and so they should be put out as plastics.

Question 3: Can I put out containers of plastic CDs and videos as plastics?

Answer 3: You need to put them out as metal and fragmental items. CDs and videos should be categorized as nondisposable items.
